Our Vision

Gamma-Rho's vision is to provide our members with a great college experience; to ensure they are career-ready; to start a lifetime of friendships; and help them have successful lives.

- We will be a values-driven organization.
- We will be innovative and not afraid to lead.
- We will adapt as it makes sense and will collaborate with our campus & community stakeholders.
- We will focus on creating a fun and healthy environment.
- We will provide a quality living-learning environment.
- We will recruit those focused on academics, campus & chapter involvement, career-readiness, diversity & inclusion, leadership development, service and respect for differences, as well as those with a competitive spirit.
- We will on-board our members successfully, ensure our members are career-ready, and help them develop a lifetime affinity to Gamma-Rho, Kappa Sigma and the University of Arizona.

Advisors will meet and discuss with you in the early spring everything on this list. Completing this process will launch you on your way to success and help make us a better fraternity.
